

**Make Copy and Mirror the copy.
Position as shown.
The copy becomes top film!
Delete the shadow example first!**

12x24 design template

- Place your artwork in the black areas**
- White areas (clear) will be metal, black areas etched away.**
- Each section must contain only one design**
- Label the artwork**
- Make copy of bottom as shown, and mirror the copy. This becomes the top artwork.**
- Remove half-etched features from opposing artwork**
- Remove these notes before submitting order.**
