

# 6X6 design template

- Place your artwork in the black area
- White areas (clear) will be metal, black areas etched away.
- Each section must contain only one design
- Label the artwork
- Make copy of bottom as shown, and mirror the copy. This becomes the top artwork.
- Remove half-etched features from opposing artwork
- Remove these notes before submitting order.

**Make Copy and Mirror the copy.  
Position as shown.**

**The copy becomes top film!  
Delete the shadow example first!**
